*Quarter 4 introduces 17 new words.

Words tested at the end of quarter 1, 2, & 3 are included in the final assessment, for a total of 54 K sight words.

***Remember, students must be fluent with these words, not just able to figure them out.**

There is a **3 second** time limit; if it takes your child any longer to say the sight word, it is scored as an error.

Please help your child practice/review these words over the summer.

It will be highly beneficial in promoting first grade readiness. As always, thank you for your support.
