**Interests or Hobbies:** Watching Jacob play sports, making homemade caramels, reading.

**Cardinals/Cubs/Neither:** Cardinals!

**What has been the most difficult aspect of the COVID pandemic for you?** Being open to all the changes. Change is difficult in any form; but change that happens frequently causes much uncertainty.

**What would you like to tell your students during this difficult time?** We are all in this together. I am here for you. If you need anything, even something not math related, let me know. We will get through this.

**What is the Best Part of Being a Teacher at Pawnee?** I enjoy teaching at Pawnee because classes are small enough to really get to know students and the best way they learn. The ability to watch students grow and the relationships developed make teaching enjoyable.
