Interests or Hobbies: I like reading, collecting records, playing with my cats, and listening to music.

Favorite Musical Artist or Band: I really love Ed Sheeran right now, but my music tastes change over time.

Why I decided to go into education: I choose to go into education because it had all of the things I liked to do rolled into one profession. I love helping people reach their goals and learning new things.

What is the Best Part of Being a Teacher at Pawnee? The community of learners and teachers here. Everyone is so collaborative and always is willing to lend a helping hand.
