Interests or Hobbies: Theatre and performing.

Favorite Musical Artist or Band: N/A

Why I decided to go into education: I love working with young minds! I wanted a job where I knew every day I would be able to smile and laugh along with my favorite people.

What is the Best Part of Being a Teacher at Pawnee? I love that everyone works together to help one another. It is a great community of learners full of people who care a lot about one another.
