PAWNEE CUSD #11 BOARD
SRO REPORT SRO COREY REYNOLDS #711
DATE: 05/18/2023

Dear Pawnee CUSD #11 Board,

As we approach the conclusion of this academic year, there aren't many notable incidents to report currently.

- Peacekeepers Pizza Initiative
 - We've successfully hosted our 4th 'Peacekeepers Pizza' event since my tenure as the SRO in the school district. This initiative continues to be a beneficial program for our grade school students, and fellow Pawnee PD members, Officer Ross and Bertoni, have joined the effort. The winners of this round of peacekeepers were visibly delighted and honored to participate.
- Principal Involvement
 - Again, both principals have been excellent at justifying my role. Whether it involves interacting with students, operating the new camera system, or assisting with miscellaneous tasks, they have both been instrumental in maintaining the smooth operation of our schools.
- Junior High Engagement
 - In collaboration with Counselor Leah Brock, we're planning to visit the junior high during the final week of school to conduct some engaging activities. Our goal is to create a fun and meaningful interaction with the students, encouraging them to make positive choices as they transition into their summer break.

I attentively ensure to patrol the hallways, exterior of the school, greeting our students and promptly reporting any concerns to Mr. Kratochvil that I believe need attention. At the end of the school day, I try to position myself at the school entrances and the rear lot where the buses park to provide a reassuring presence in order to help maintain safety in our student body.

Officer Corey Reynolds
