Interests or Hobbies: I enjoy spending time with my family and friends. In my free time I enjoy reading, playing with my dog Shooter, traveling and trying new places.

Cardinals/Cubs/Neither: Cardinals

What has been the most difficult aspect of the COVID pandemic for you? Not being able to spend as much time with my family and friends. I also have had a difficult time not being at school with my students.

What would you like to tell your students during this difficult time? Remember that your school family cares about you very much, misses you dearly, and is here for you always. I also would like them to remember that brighter days always lay ahead.

What is the Best Part of Being a Teacher at Pawnee? The kids; the students here are eager to learn and to make a difference. Also working here I am surrounded by an amazing staff and school community that makes coming to work each day even easier.
