cmarsaglia@pawneeschools.org

Interests or Hobbies: Golfing, bingo, watching my shows, spending time with family and friends, playing with my dog Buckley, and of course doing math problems.

Cardinals/Cubs/Neither: Cardinals

What has been the most difficult aspect of the COVID pandemic for you? Creating videos of the lessons and making sure the content is being understood by the students through zoom as it would have been face to face.

What would you like to tell your students during this difficult time? Be patient and time management has never been so important.

What is the Best Part of Being a Teacher at Pawnee? Creating a connection with each student in class. I am able to learn their strengths and weaknesses to better help them with the content. I also like how welcoming and helpful all the teachers and staff are.
