Interests or Hobbies: I love spending time with my family and friends. I enjoy traveling, playing board games and reading when time allows.

Cardinals/Cubs/Neither: I do not watch a lot of baseball, but if I had to choose it would be the Cardinals.

What has been the most difficult aspect of the COVID pandemic for you? Not being able to spend as much time as I'd like with my family and friends..

What would you like to tell your students during this difficult time? We will get through this together! Don't stress over the little things and communicate with your teachers.

What is the Best Part of Being a Teacher at Pawnee? My students who are eager to learn and the staff members that make coming to work fun.
