**Additional Notes**

1. E-Learning Days. If needed because of bad weather, we will use our 5 E-Learning days first. The use of E-Learninbg days does not extend the school calendar.

2. Five emergency days are built into the calendar--May 26-June 1. If we use all 5 of our E-Learning days the 6th and so forth would be an emergency day which would extend the school calendar. After 5 E-Learning days and 5 emergency days are used, on the 11th emergency day, we can apply for act of God days which would not have to be made up, thus the calendar would not be extended past June 1.
