**Interests or Hobbies:** Quilting, reading, traveling.

**Cardinals/Cubs/Neither:** St. Louis Cardinals

**What has been the most difficult aspect of the COVID pandemic for you?** Not being able to GO OUT...for dinner, for errands, for shopping, for meeting up with friends, for parties, for weddings, or for traveling.

**What would you like to tell your students during this difficult time?**

Hang in there! We are going to make it through this!

**What is the Best Part of Being a Teacher at Pawnee?** Interacting with the students. I am lucky to have each class for two years so getting to know them over that time period is GREAT! The first week after summer break with the 6th grade is like old home week. It is fun to see how much they have changed and grown and it feels so good to have them back in class. Since my classroom is in the Jr. High Hallway, I can still see and chat with them for the next couple of years as they pass by my door, too!
