**Interests or Hobbies:** I enjoy spending time on the farm, gardening, and playing with my dog, Remi.

**Cardinals/Cubs/Neither:** Cardinals

**What has been the most difficult aspect of the COVID pandemic for you?**

It has been very difficult to be away from my students. We have so much fun in the classroom when we are together, and it is sad to miss out on that with this group of students!

**What would you like to tell your students during this difficult time?**

I want you to keep trying your best and stay positive! I am always here to help you and still care about you, even though we aren't in the classroom together each day.

**What is the Best Part of Being a Teacher at Pawnee?** I love being a teacher in Pawnee!

I get to work with some of my former teachers and it has been really fun to continue learning from them. Everyone cares about each other and does what is best for their students.
