Interests or Hobbies: Hiking, reading, swimming.

Favorite Musical Artist or Band: I like all music, but particularly enjoy rock music.

Why I decided to go into education: I went into education to help students better connect to school and find value in attending school. I want to encourage students to enjoy school, open their mind to new ideas, and ultimately encourage them to make our world better in the best way they can.

What is the Best Part of Being a Teacher at Pawnee? I really enjoy the relationships that I have built with students and staff that I am provided the opportunity to remain in contact with students as they go through school.
