Interests or Hobbies: I enjoy spending time with my family and friends. In my free time I enjoy reading, playing with my dog Shooter, traveling and trying new places.

Favorite Musical Artist or Band: I would say that I don't really have a favorite artist or band-country music is definitely my favorite genre of music.

Why I decided to go into education: As early as I can remember I always wanted to be a teacher. I love the idea of teaching our students of tomorrow and the idea that I have an opportunity to make a difference in the life of students.

What is the Best Part of Being a Teacher at Pawnee? The best part of working in Pawnee is the kids, staff, and community.
