Interests or Hobbies: Spending time with the King and my family, Drawing, Painting, Ceramic Wheel-throwing & Lighting Raku; really any and all forms of art, Kayaking and Adventure Hiking, Animal Rescue.

Favorite Musical Artist or Band: Very Eclectic; anything with a solid message (if word are necessary) and a great mixed beat; if you borrowed my buds, you'll probably not hear what you'd expect.

Why I decided to go into education: Because I HATED school, but had a few teachers who had enough grit to get in the ring with and for me, and a promise to my dying mother that I would graduate.
