**Interests or Hobbies:** Spending time with my family, being outside all year round, travelling abroad, learning about new places and cultures, all things Harry Potter, anything that allows me to be creative.

**Favorite Musical Artist or Band:** Hard to pick one favorite-Hozier, Taylor Swift, Josh Groban, The Red Hot Chili Peppers, The Beatles to name a few.

**Why I decided to go into education:** To share as much as I can about art and art history, and encourage learning about different people, cultures, and perspectives through art education.

**What is the Best Part of Being a Teacher at Pawnee?** The sense of community, and having small class sizes to get to know each student as an individual. teaching such wonderful students!
