E-LEARNING DAY

In the event Pawnee CUSD #11 issues emergency learning days, the following plan will be put into effect.

E-LEARNING DAY COMMUNICATION

- Every attempt will be made to announce an e-learning day the night before. In the event that an announcement cannot be made the day before, the announcement will be made if possible by 6:30 a.m. on the e-learning day.
- Communication for e-learning days will be ongoing and provided through Teacherease, the district website, and district social media page(s). Please check these communications frequently for the latest information.

DISTRICT E-LEARNING SCHEDULE

- The e-learning school day will be from 8:15 a.m. - 1:15 p.m.

ATTENDANCE

- Each school office will enter student attendance on Teacherease.

DISTRICT E-LEARNING INSTRUCTION/SCHOOL WORK

- Teachers and students will be utilizing Teacherease, Google Classroom, or Google Meets for synchronous e-learning instruction.
- All work will be due the day after school is back in session in order for teachers to verify participation and monitor progress.
- If students can't connect via technology, they will be provided paper copies or electronic copies of the assignments on their first day back in person. All work will then be due the day after school is back in session.

PreK - 2nd Grade

- Teachers will contact parents/guardians with further information about their plan.
- Teachers will be available via email and Google Meets for student assistance between the hours of 8:15 a.m. - 1:15 p.m.
    - To set up a Google Meets session, please email the teacher. The teacher will respond to set up a Google Meets for further assistance.
    - If circumstances arise that a teacher can't meet via Google Meets, the teacher needs to contact the appropriate building principal.

3rd - 12th

- Teachers will post instructions/assignments on Google Classroom by 8:15 a.m.
- Teachers will be available via email and Google Meets for student assistance between the hours of 8:15 a.m. - 1:15 p.m.
    - To set up a Google Meets session, please email the teacher. The teacher will respond to set up a Google Meets for further assistance.
    - If circumstances arise that a teacher can't meet via Google Meets, the teacher needs to contact the appropriate building principal.

TECHNOLOGY

- Students who do not have reliable internet access at home will be provided with alternative learning materials or accommodations to ensure they can participate in e-learning activities.

SPECIAL EDUCATION AND MTSS SERVICES

- Special Education teachers, school counselors, and MTSS teachers will be available to parents and students on e-learning days. These professionals may be accessed through their school email addresses between the hours of 8:15 a.m. - 1:15 p.m.
- To ensure that services of special education students are met, students with special needs will have assignments modified or provided based on their IEP goals from their special education teacher or related service provider.

EXTRACURRICULAR EVENTS AND SCHOOL FUNCTIONS

- On an e-learning day, the impact on extracurricular events and school functions will be determined by administration. Communication will be made separately from the school day announcement.

E-LEARNING DAY SURVEY

- An annual survey will be emailed to parents, staff, and students for feedback that will be evaluated by the school district.
